

Giles High School

Presents

Families First Project

2013-2014

Phase 1

Child Development students learn to sew and create their very own sock puppets.

11/15/2013

11/11/2013

Phase 2

The class visits a local child care center to observe master teachers and play with the children.

11/11/2013

Phase 3

Back in the classroom, we put together lesson plans for the children at the center.

Topic: personal hygiene

Phase 4

We go back to the child care center and try our hand at teaching the little ones, using the sock puppets as teaching aids, as well as coloring sheets, stories, crafts, memory games, and other home-made teaching materials.

11/11/2013

Phase 5

Before our last visit to the child care center, the students put together gift bags with supplies and instructions to make a sock puppet at home with mom and dad, a letter to each child, and a toothbrush, toothpaste, and dental floss.

Thank you Dr. Stubbs for your donations!
