

# STRASBURG HIGH SCHOOL FCCLA

Leadership Service in Action  
2013-2014  
Giving to Greenfield

In August and September, the SHS FCCLA Officer Team met with the regional director and the director of activities to brainstorm project ideas and activities. This was also a great opportunity to teach others about FCCLA and our programs.

Each month the residents are invited to Strasburg High School for a different activity. One of the goals of our project was to provide opportunities for the residents to get out of the facility.

We sponsored the prizes for Greenfield's Trick or Treat Celebration. There were three categories with winners in each.

Trick  
or Treat?

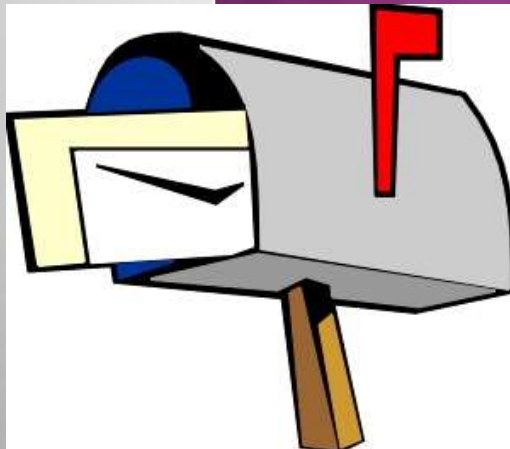

Members assisted with the Trick or Treating festivities. The residents loved the interaction with kids of all ages.

On a monthly visit, members hosted a game day for the residents. During each visit, refreshments were served. We purchased various games that will be donated at the end of the school year.

Throughout the school year, our chapter corresponds with the residents of Greenfield.

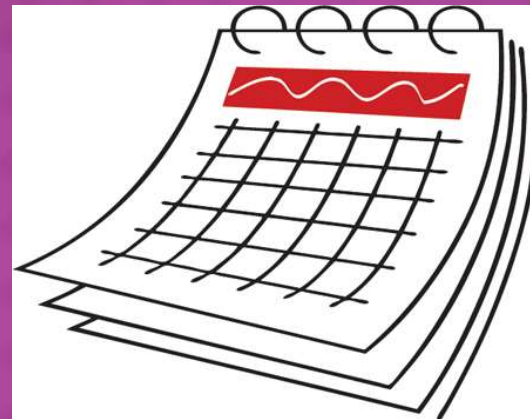

We visited Greenfield the weekend before Christmas. We brought along a craft project and led a Christmas carol sign-a-long.

# UPCOMING ACTIVITIES

- Continue the residents' monthly visits to SHS
- Ballgame Buddies: residents will be coming to spring athletic events
- Easter time visit to Greenfield
- Continued snail mail correspondence
