The Opening Ceremony includes the Presentation of Colors as the National Anthem is performed and signed by FCCLA members.

State President Marah Mullins calls the conference to order.
In a parody of the High School Musical movies, the senior state officers begin the session with a skit reflecting on their year while they get ready for graduation and the Talent Extravaganza - the finale to the school year.
The plot begins as Principal Debbie Will gives FCS teacher, Mr. Deventae, the task of uniting the various school “clicks” into a great FCCLA chapter – using their unique talents to improve the school and community.
The Brainiacs, Skater Dudes, Athletes, and Drama Club must learn to work together and believe in themselves and each other.
Prizes are given throughout the session with winners coming to the stage to celebrate their good fortune.
Volunteers represent the school clicks in an onstage “trashketball” game!
