In Memory Of

Rita Handley, mother of
Katey Carr

(My mom spent countless hours
supporting me in my FCCLA
adventures. She judged STAR
Events, drove me to fundraisers and
state conferences. Mom was in the
front row when I gave my speech
running for state office. The afternoon
that I was elected, she told me my cup
runneth over. She told me several
times during that conference how
proud she was of me. The memories
of my mom at FCCLA events fills a
large part of my high school
memories.)
