

Virginia FCCLA Dress Code

revised: September 2022

FCCLA is one of the career-technical student organizations sponsored by the Department of Education for the purpose of preparing youth for career success. Specifically, FCCLA prepares students for the multiple roles of family member, wage earner, and community leader. Therefore, an important part of the educational experiences provided by FCCLA includes developing an understanding of appropriate behavior and dress for business meetings and functions.

Please note that the national FCCLA organization has a dress code policy for all events and activities at the national level that must be followed for the National Leadership Conference, National Fall Conference, Capitol Leadership, and national competitive events. Please check the national website (www.fcclainc.org) for a copy of their dress code.

The Dress Code provided here is for events sponsored by Virginia FCCLA. Appropriate mitigation strategies, including face masks, may be required for a specific event as determined by the Board of Directors.
